Forecast For West Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 07 Sep 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Another fine day on Wednesday before turning more unsettled.

This Evening and Tonight:
Staying dry with late sunshine. Skies remaining clear into the night, however with the risk of a few fog patches forming for some. Feeling rather muggy during a warm and humid night. Minimum temperature 14 deg C (57 deg F).

Wednesday:
Plenty of sunshine on Wednesday, and feeling warm to locally hot. Turning cloudier in the evening from the southwest with showers then arriving overnight, perhaps heavy and thundery. Maximum temperature 28 deg C (82 deg F).

Outlook for Thursday to Saturday:
Scattered showers on Thursday, turning heavy at times and with a risk of thunder. Further showers on Friday, then drier on Saturday but with showers remaining for some. Feeling cooler.
